Form 357 Rev 12/15

Wellness Policy Assessment Tool

This template provides information on wellness policy goals and practices within the LEA. Use this tool to track progress and gather ideas on ways to create a healthier school environment. A separate assessment should be completed for each school or at a minimum, each school level. The wellness policy and completed assessment must be available to the public.

VII. Progress Report: Indicate any additional wellness practices and/or future goals and describe progress made in attaining the goals of the local wellness policy								
We strive to provide healthy options and activities for our students both during the day and after school. We are currently working with community partners such as Fulfill of Monmouth & Ocean County to provide healthy snacks after school as well as the opportunity to learn about nutrition through our Garden Squad Program. We also collaborate with Monmouth University to provide students access to their Physical Activitiy Partnership Program. We look forward to creating more relationships with businesses in the community to promote student wellness.								
VIII. Contact Information: For more information about this school's wellness policy/practices, or ways to get involved, contact the Wellness Committee Coordinator.
