

ADOPT A STUDENT

Our Lady of Mt. Carmel School

“As each one has received a gift, use it to serve one another, as good stewards of God’s varied grace” 1 Peter 4:10

What is Adopt A Student? A Chance to Change a Life

Our Lady of Mt. Carmel School is second to none in providing a high quality, value-based education where students learn to respect themselves and others. However, many families in our community who want a brighter, faith-filled future for their children can’t afford the benefits of a Catholic school education.

- Recipients of Adopt A Student scholarships have significant financial need. These are hard-working single parent families and grandparents who are legal guardians, trying to provide their families with a quality education in the tradition and environment of Catholic Schools
- We’ve seen Recipients of Adopt A Student scholarships excel and develop into promising future leaders

Not Charity, but a Chance

Instilling the values of hard work, respect, and helping students to reach their full potential is part of our Catholic mission.

- Adopt A Student scholarships are awarded on financial need and academic merit
- Each Adopt A Student scholar must adhere to our school’s code of conduct and be walking examples of our school’s mission statement
- Each family must pay a portion of the tuition fee, creating a true partnership and investment by all
