

## **Language Arts Summer Reading - Grades 6-8**

*"You can never get a cup of tea large enough or a book long enough to suit me."*- C.S. Lewis

**Directions:** For all of our Language Arts students, your summer reading assignment is below and posted on Google Classroom. I provided you with suggested reading for each grade or you can pick a book on your own.

By September, you must complete one book and complete the outline posted in Google Classroom. Every additional book read and outline turned in, will receive an additional grade.

Throughout the summer the most important advice I can give you is to just read. Two minutes or an hour, a novel or a shopping list, comic books or closed caption Netflix...just read. Challenge your mind, learn something new and know that no matter what 2022-2023 brings we will have an amazing year!
